

Chrome crash/highway bars

Motorcycle covers protect your bike from dirt and water when parked

The smallest National Cycle windscreen, larger sizes depicted in this chapter

Chapter 24 is all about frame accessories, windshields, fairings, etc. In this chapter you will find replica's of the nostalgic lockable toolbox that were introduced on the 1940 models, but also the toolbox of today like Pro-One's Stash tubes.

If you are looking for a comfortable "out of the wind" ride you also need to look in this section for National Cycle windshields or Corbin's handlebar fairings. To cover up your Motorcycle we supply reinforced Motorcycle covers that are manufactured from urethane covered polyester. Last but not least this section contains replacement footrest rubbers and other rubber parts

LEFT SIDE TOOLBOX FOR EVOLUTION SOFTTAIL

These chrome plated toolboxes come complete with mounting brackets and lock. Easy to install on all Softtail models 1984 thru 1999, except FLSTS and FLSTSC or models equipped with Fishtail style crossover exhausts.

013120 Left side toolbox for Evolution Softtail (OEM 64207-89B)

TEARDROP TOOLBOX

Perfect reproduction of the "Old Style" toolbox. Can be used as OEM replacement on Harley Big Twins 1940 thru 1959 or adapted to any motorcycle as lockable toolbox. Includes original style lock and key. Show-Chrome finish (OEM 64205-40).

013102 "Old Style" teardrop toolbox
013099 Replacement key-set (set 2) (OEM 64340-26)

"RACERS LOOK" TEARDROP TOOLBOX

This Old Style Teardrop toolbox is another addition to our "Button-Head" line of products. The non-functional button head Allen screws provide that High-Tech "Racers Look". Each box comes complete with keys.

013115 Teardrop toolbox

LEFT SIDE TOOLBOX

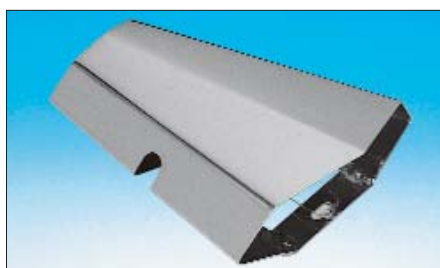

Left hand version of the classic toolbox as used on many models from 1940 thru 1959. They are available in a bright Chrome finish and a black painted finish. This left box is the perfect accessory for the FLSTF FatBoy as the right side exhaust will not permit the installation of a toolbox on this side. Mounting bracket with hardware is separately available.

013101 Toolbox left side black
013103 Toolbox left side Chrome
013097 Mounting bracket with hardware
013099 Replacement key-set (set 2)

SPARK PLUG HOLDER FOR HARLEY-DAVIDSON

085000 Chrome plated spark plug holder, clamps on to the rear frame tube. Accepts long reach plugs (OEM 91775-51).

AIR SCOOP FOR BIG TWIN MODELS

301666 Chrome plated air scoop, fits all Shovelhead engines. Improves the cooling of the rear cylinder by directing the air flow into the cylinder.

FXR OIL TANK TRIM

301603 Designed for easy installation on all FXR models 1982 thru 1994. Chrome finish.

IGNITION MODULE COVER FOR SPORTSTER MODELS

301320 Replaces the OEM black module cover on 1982 to present Sportster models, has a beautiful Chrome finish (OEM 66328-82T).

"EAGLE SPIRIT" IGNITION MODULE COVERS FOR EVOLUTION SPORTSTERS

This die-cast cover replaces the standard black metal piece on Sportster models from 1982 to present. Available with either Chrome or Gold/Chrome plated Eagle Spirit logo (OEM 66325-82).

301875 Chrome finish
301876 Gold/Chrome finish

SIDE COVER SET FOR FXR MODELS

301416 Super looking Chrome plated side cover set for 1982 thru 1994 FXR models. Replaces the standard plastic covers. Complete set, left and right (OEM 66356-82).

LOUVERED SIDE COVERS FOR FXR MODELS

Add styling to the plain area on your FXR bike, when using these louvered side covers. Replaces the OEM plastic parts. Will fit FXR models from 1982 thru 1994. These chrome side covers make a perfect addition to your bike. Sold as a set.

301727 Louvered side cover set

PRO-ONE STASH TUBE

This stash tube not only offers you some room to put tools or papers in, but also adds something special to your bike. Made of billet aluminum and offered with universal fit clamps so you can choose the place where you want to attach it to your bike. Available in a long and a short version, long version is 10" long and the short version is 7" long. Tube has perfect chrome plated finish.

721796 Stash tube long Millennium smooth, with universal fit, fits frame tubes from 1" thru 1 1/4"

721797 Stash tube short Millennium smooth, with universal fit, fits frame tubes from 1" thru 1 1/4"

SWINGARM CAPS FOR FXR MODELS

301055 Chrome plated Swingarm pivot end caps, fit the 1982 thru 1994 FXR models. This cap set looks even better in combination with our Chrome master cylinder cover.

ANODIZED AND ENGRAVED ALUMINUM SWINGARM COVERS FOR FXR

These billet aluminum covers are CNC machined, anodized and then engraved. Available in red and blue. They are a perfect match with our other engraved covers. Fits FXR models from 1982 thru 1994. Sold in sets.

233739 Red

233740 Blue

CUSTOM ENGINEERING FINNED PIVOT COVERS

Fully machined from 6061-T6 aluminum and finished with a beautiful triple Chrome plating. Sold in pairs.

236431 Fits 1981 thru 1990 FXR

236433 Fits 1991 thru 1994 FXR

SWINGARM PIVOT BOLT COVERS FOR SOFTAIL MODELS

099037 Chrome plated Swingarm cover for all Softail models (except FatBoy) from 1984 to present. They are held in place with set screws and give your bike that "finishing touch".

STAINLESS STEEL SWINGARM PIVOT BOLTS FOR SOFTAIL MODELS

These Stainless Steel Swingarm pivot bolts fit all Softail models 1984 to present as well as most aftermarket frames and Swingarms. Sold in sets of 2 and come complete with washers. Available in a machined and highly polished finish (OEM 4961).

237979 Machined finish

237779 Polished finish

PHANTOM II COVERS FOR SOFTAIL

A sleek, streamlined set of die-cast covers that blend perfectly with the clean lines of the Softail frame and conceal the unsightly axle nut and adjusters. Covers are brightly chrome plated and install in minutes. Fits late 1986 Heritage Softail, and all other Softail models 1987 to present, except FLSTB FatBoy, FLSTD Deuce and FLSTN Nostalgia with stock Shotgun style exhaust system. Sold in pairs for left and right side.

301590 Phantom II Swingarm covers

PRO-ONE CHROME PLATED BILLET ALUMINUM CABLE GUIDE CLAMPS

Get those wild cables under control with these cable clamps. These billet cable clamps are another of those little details that mean the difference between winning and just being runner up. Available for speedo, clutch and single or dual throttle cables. All clamps have a perfect chrome plated finish.

239404 Clutch cable clamp 1"

239405 Clutch cable clamp 1 1/8"

239406 Clutch cable clamp 1 1/4"

239407 Throttle cable clamp 1" hole

239408 Throttle cable clamp 2" hole

239409 Speedo cable clamp
41.2 mm

WINDSHIELDS FOR FL MODELS

These windshields are designed to fit the 4 Speed FL models from 1960 thru 1984 as OEM replacements. Made from acrylic for additional strength and light weight. Feature chrome braces and easy to replace windows, which are interchangeable with OEM parts. Adjustable windows and lower windows separately available. Each kit comes complete with hardware.

Complete windshield kits

163041 With clear upper and lower windows (OEM 57996-60)

163049 With clear upper and red lower windows

163050 With clear upper and blue lower windows

Replacement upper window

163048 Clear

Replacement lower windows

163042 Clear

163044 Red

163043 Blue

Replacement adjustable windows

163045 Clear

163047 Red

163046 Blue

AIR DAM FOR FXR AND SOFTAIL MODELS

232710 Constructed of high-impact ABS plastic, this chin fairing is easily painted to match your bike. Mounting is achieved with large cushioned cable clamps. Fits all FXR models from 1982 thru 1994 and Softail models 1987 to present (does not fit FatBoy and Heritage). Mounting hardware included.

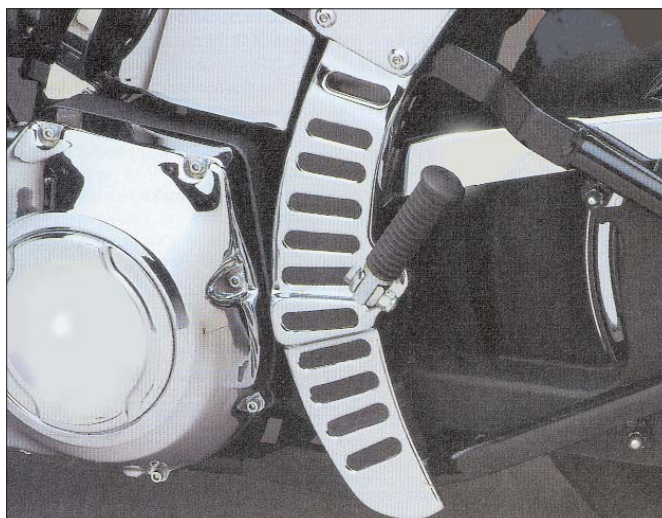

FIBERGLASS AIR SCOOP WITH OVAL AIR OPENING BY FORCE PRODUCTS

These Force Air Scoops with oval scoop hole not only add a racy look to your bike but also direct an air stream to your engine providing extra cooling. Made in the USA from strong and lightweight fiberglass in precision built moulds. Has a white Gel-coat finish making it ready for your painter's preparation. Air Scoop comes with some mounting hardware, but for those who want a quick and professional installation we suggest to use our ZPN 741008 EZ mounting kit. Air Scoop is available for Evolution Softail models 1984 thru 1999, and Evolution Dyna models 1991 thru 1998.

741000 Fits 1984 thru 1999 Evolution Softail models

741001 Fits 1991 thru 1998 Evolution Dyna models

741008 Optional EZ mounting kit

SLOTTED FRAME COVERS FOR SOFTAILS

These stamped steel covers provide a low-cost method of radically altering the appearance of your Softail. The covers are installed in minutes and feature deep-blue Chrome plating and wraparound styling for a fully integrated look, while also doubling as covers for the cad-plated original Swingarm pivot bolts. Are sold in sets and will fit all 5 Speed Softail models from 1986 to present except FatBoy and FLSTN.

301877 Slotted frame covers for Softails

CHROME PLATED SOFTAIL FRAME INSERTS

301816 These Chrome plated frame inserts fit perfectly into the rear frame section of all Softail models from 1986 to present. The inserts are held in place by a special foam adhesive. Installs in minutes!

NATIONAL CYCLE CUSTOM HEAVY-DUTY WINDSHIELD

Made of hard coated Lexan polycarbonate for maximum protection and superior scratch resistance. Has a classy looking light grey tint that will not hinder you on your night-time rides. Depending on the application, the Custom Heavy-Duty Windshields are between 18 1/2" and 20 1/2" high and are 19" wide. Windshield and mounting kit must be ordered separately.

- 710706** Windshield without mounting kit
- 710699** Optional chrome plated billet trim kit

Mounting Kits

- 710707** Kit with black hardware to fit the 35 mm fork tubes on Sportster, FX and FXR models from 1971 thru 1987
- 710708** Kit with chrome hardware to fit the 39 mm fork tubes on Sportster, FXR and Dyna Glide models from 1987 to present
- 710709** Kit with chrome hardware to fit the 41 mm fork tubes on FXWG, FXST, FXSTC and Dyna Wide Glide models from 1980 to present

Replacement Adjusting Window

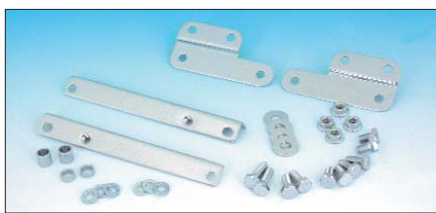

- 710710** Light grey tinted

NATIONAL CYCLE BEADED HEAVY-DUTY WINDSHIELDS FOR SOFTAIL AND WIDE GLIDE MODELS

The perfect windshield for all FXWG, Dyna Wide Glide and Softail models (excepts Springer Softail models) from 1980 to present. Made of hard coated GE Lexan polycarbonate for superior scratch resistance. These windshields are framed with a nostalgic acrylic bead and can be optionally equipped with the adjusting window in a wide range of colors. Beaded Heavy-Duty windshields bolt straight on to the OEM brackets on Heritage Softail Classic (FLSTC) models. Mounting kits are not included, they must be ordered separately.

- 710675** Windshield with clear lowers
- 710676** Windshield with red lowers
- 710677** Windshield with blue lowers
- 710678** Windshield with black lowers

Mounting Kits

- 710679** Fits FLSTF (FatBoy) and FLSTN models from 1990 to present
- 710680** Fits FXWG, FXST, FXSTC and Dyna Wide Glide models from 1980 to present
- 710681** Fits FLST's from late 1986 thru 1990

Note: Windshields mount straight on to the stock brackets on Heritage Softail Classic (FLSTC) models.

Replacement Windows

- 710669** Clear top windows
- 710683** Clear lower windows
- 710684** Red lower windows
- 710685** Blue lower windows
- 710686** Black lower windows
- 710670** Clear adjusting window
- 710671** Light tinted adjusting window
- 710672** Red adjusting window
- 710673** Blue adjusting window
- 710674** Black adjusting window

NATIONAL CYCLE REPLACEMENT SCREENS FOR FLH, FLHT AND FLHTC FAIRINGS

National Cycle replacement screens offer superior optics and diamond-like clarity. They are made of hard coated GE Lexan polycarbonate for lasting shine and durability. All screens are pre-drilled and precision formed and bolt straight on to the OEM fairings.

Fits 1986 thru 1995 FLHT AND FLHTC fairings

- 710667** Clear, installed height 12"
- 710668** Light tinted, installed height

Fits 1996 thru 1998 FLHT ANF FLHTC fairings

- 710660** Clear, stock height
- 710665** Light tinted, stock height
- 710666** Dark tinted, 4" lower than stock

Fits all FLH fairings

- 710682** Clear, installed height 18"
- 710688** Tinted, installed height 18"
- 710689** Tinted, installed height 7"

NATIONAL CYCLE TOURING HEAVY-DUTY WINDSHIELDS

Full-height version of National Cycle's popular Chopped Heavy-Duty windshield with hard-coated Lexan polycarbonate screen. It features a light grey tint that is DOT-approved for night time use. As an option there are colored adjusting windows and a billet trim package available. Mounting kits are not included, they must be ordered separately.

Fits 4 Speed FL 1960 thru 1984 models

- 710718** Windshield only
- 710681** Mounting kit for 1960 thru 1984 4 Speed FL models
- 710698** Optional Chrome plated billet trim kit

Fits Softail models, FXWG models and Dyna models 1980 to present, mounting kits must be ordered separately

- 710711** Windshield only

Mounting kits

- 710679** FatBoy and FLSTN models 1990 to present
- 710680** FXWG, FXST, FXSTC and Dyna Wide Glide models 1980 to present and FLST's late 1986 thru 1990

Optional & replacement Parts

- 710690** Clear adjusting window
- 710691** Light grey tinted adjusting window
- 710692** Red adjusting window
- 710693** Blue adjusting window
- 710694** Black adjusting window

Note: This windshield bolts straight on to the Original Equipment brackets on Heritage Softails Classic (FLSTC) models.

NATIONAL CYCLE DEFLECTOR SCREEN

This 15 1/4" (39 cm) tall National Cycle windscreen is made from DOT approved acrylic. Comes with National Cycle's patented and innovative Rake-Adjust hardware which permits 100 degrees of screen adjustment without moving the mounting hardware. A double Ball-socket attaches the screen to the mounting hardware, providing simple assembly and a safety release. Fits both 7/8" and 1" handlebars.

- 710658** Clear Deflector
- 710659** Tinted Deflector

NATIONAL CYCLE FLY-SCREEN LS

A small, only 9" (23 cm) tall windscreen to retain the custom built look. The unique fork mount hardware with countersunk screws creates a very clean, billet appearance. Easy to fit on all Narrow Glide Sportsters, Big Twins and Wide Glide FX models. Available in light tint or dark tint with highly polished Chrome frame.

- 710662** Light tinted
- 710663** Dark tinted

NATIONAL CYCLE HEAVY-DUTY CHOPPED ORIGINAL STYLE WIND SHIELDS

Made of superior scratch resistant hard-coated GE Lexan polycarbonate for maximum protection on the road.

Fits 4 Speed FL models with aluminum nacelle 1960 thru 1984. Mounting kits are not included, they must be ordered separately.

710695 Windshield only

Optional & replacement adjusting windows for ZPN 710695.

- 710670** Clear
- 710671** Light grey tinted
- 710672** Red
- 710673** Blue
- 710674** Black

Note: Windshield height measurement is center of screen height. Width is straight line inside measurement at widest point.

Fits all FXWG, Dyna Wide Glide and Softail models (except Springer Softail models) from 1980 to present.

The light grey tint is so subtle it's DOT-approved for night-time use. Optional adjusting windows are available in a wide range of colors to match your paint job. Chopped Heavy-Duty are 15 1/2" -18 1/2" high and 21 1/2" -wide. Height depends on the application. Mounting kits must be ordered separately.

710687 Windshield only

Optional & replacement adjusting windows for ZPN 710687.

- 710690** Clear
- 710691** Light grey tinted
- 710692** Red
- 710693** Blue
- 710694** Black

Fits stock mounting brackets on 5 Speed FLHS 1987 thru 1993 models.

710701 Windshield kit (light grey tinted)

Note: Windshield bolts straight to the stock mounting brackets on Heritage Softail Classic (FLSTC) models.

Optional & Replacement adjusting windows for ZPN 710701.

- 710700** Clear
- 710702** Light grey tinted
- 710703** Red
- 710704** Blue
- 710705** Black

Mounting kits for ZPN 710695

710681 Mounting kit

Mounting kits for ZPN 710687

- 710679** FatBoy and FLSTN models from 1990 to present
- 710680** FXWG, FXST, FXSTC and Dyna Wide Glide models from 1980 to present, and FLST's from late 1986 thru 1990

NATIONAL CYCLE HOLDSTER WINDSHIELD STORAGE BAGS FOR HEAVY-DUTY WINDSCREENS

Both the Triple and Single Holdster are made from quality, heavy grade synthetic leather for durability, and weather resistance. The material is UV treated and tested. Holdsters give you a distinctive storage compartment on the inside of your windshield and they mount directly to National Cycle's Heavy-Duty windshield frames.

- 710696** Triple Holdster storage bag
- 710697** Single Holdster storage bag

CORBIN'S TOURER FAIRING KIT FOR SOFTAIL

710448 Attractive fairing for 1984 to present Softails. Corbin's molding technique and eye for detail gives the Softail a very stylish look and a perfect fit. Riders enjoy great wind coverage for touring protection. Constructed of durable Fibertech and finished in primer Gel-coat ready for painter's preparation. Includes Lexan windscreen. The fairing is simple to install and remove with quick mount, tool-free hardware included that takes just moments. It bolts up easily to all Softail front ends (excepts Springers) using the later FL style headlight housing. Corbin's bracket kit relocates the turn signal into the openings. Styled ones can be used successfully.

WARBIRD CHIN SPOILERS

The Warbird Chin Spoilers are designed to provide a graceful aerodynamic look, covering the frame tubes and regulator. Cooling ducts are built in to provide proper air flow to your engine components. Gracefully shaped to add to the look of the spoiler. Comes in black Gel-coat ready for painter's preparation. With some aftermarket pipes, you may need to modify the spoiler. This is easily accomplished. Mounts to your stock frame with no modifications. All necessary brackets are included. We highly recommend that you test fit all components before painting.

- 238449** Chin spoiler kit for Dyna models 1991 thru 1995

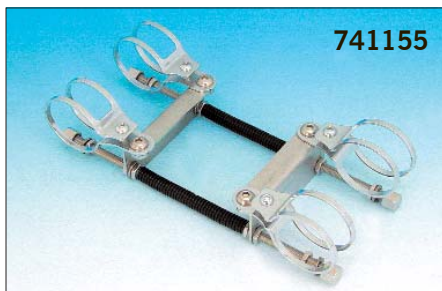

"NO FEAR" UNIVERSAL-HANDLEBAR FAIRING

The "No Fear" handlebar fairing will give your bike the looks of a High Tech Mean Machine. The fairing measures only 390 mm wide and 245 mm high and is made from strong white tinted ABS. Comes complete with an "E" approved dual lamp unit and two H3 Halogen 55 Watt bulbs. Mounting brackets are not included, these must be ordered separately.

- 721663** "No Fear" handlebar fairing
- 741155** Universal mounting bracket kit
- 741156** Replacement light unit set

"NO FIGHT" UNIVERSAL HANDLEBAR FAIRING

Zodiac offers all kinds of fairings to suit the style you want for your bike.

This "No Fight" handlebar fairing has been developed with extended feed-back from dealers and riders. A very compact fairing, measuring only 390 mm wide and 245 mm high. The fairing body is made from strong carbon-look ABS and comes complete with an "E" approved dual lamp unit and two H3 Halogen 55 Watt bulbs. Mounting brackets are not included but must be ordered separately.

- 721664** "No Fight" handlebar fairing
- 741155** Universal mounting bracket kit
- 741156** Replacement light unit set

"INVADER" HANDLEBAR FAIRING

The "Invader" handlebar fairing makes your Streetfighter look like a mean and aggressive piece of machinery. The fairing is only 17" (43 cm) wide and made from strong dark tinted acrylic. Comes complete with an "E" approved dual lamp unit and two H4 Halogen 12 Volt 60/55 Watt bulbs. Mounting brackets are not included but must be custom made. For those that want it "the easy way" we also have a very universal mounting kit available.

- 721446** "Invader" handlebar fairing
- 721447** Universal mounting kit

"E" APPROVED UNIVERSAL DUAL LIGHT UNIT SET FOR HANDLEBAR FAIRING

For those who want to create their own design fairing we offer this universal light unit set to start with. This "E" approved dual lamp unit comes completely assembled and including 12 Volt 55 Watt Halogen bulbs.

- 741156** Universal light unit set

"ZOMBIE" UNIVERSAL-HANDLEBAR FAIRING

The "Zombie" is what your bike needs when you are looking for a handlebar fairing that lets your bike stand apart from the crowd. This fairing is made from strong black tinted ABS. Mounting brackets are not included, these must be ordered separately.

- 741157** "Zombie" handlebar fairing
- 741155** Universal mounting bracket kit

FRAME GRILL FOR SPORTSTERS

Cool looking, Show Chromed grill to mount between the front down tubes of the 1982 to present Sportster frame. Mounts directly on the front top motor mount and the regulator mount bolt. Just for the good looks or to mount a small bag.

- 731651** Sportster frame grill

MOTORCYCLE COVERS

This Guardian features scorch-resistant aluminized panels to cover hot engine and exhaust pipes, reinforced krommets for use with a cable or bar lock, elastic cord sewn into the entire bottom to provide a secure fit, and a convenient stuff bag for travel storage. The Guardian is fabricated from heavy-weight urethane coated polyester to insure waterproof capability plus the moisture-guard venting system on all these models and flannel windshield liner. Available for several motorcycles such as Sport/Custom models and Dressers with or without windshield and luggage cases.

- 234140** Sport/Custom, fits all 500 CC to 1500 CC sport and custom models, will fit most mini/sport fairing equipped bikes
- 234141** Full dress, fits all 500 CC to 1500 CC dress cycles with fairing and luggage
- 234142** Touring/Full dress, fits largest factory full dress cycles up to 1500 CC

CHROME CRASH/HIGHWAY BARS FOR HARLEY-DAVIDSON

Beautiful Chrome plated Highway Bars feature heavy gauge diameter tubing with smooth, even Mandrel bends for show-quality appearance. These bars will give the typical Big Twin look to any Harley-Davidson and are a perfect match with the rear highway bars. Come complete with mounting hardware and instruction sheet for a quick and easy bolt-on installation. Mounting the rear highway bars as well will give the 50's Panhead look to your Harley.

FRONT HIGHWAY BARS

- 241243** Fits all Evolution Sportster models 1986 to present
- 233553** Fits 4 Speed FL models with Swingarm frames from 1958 to early 1979 (OEM 49038-58B)
- 233559** Fits 4 Speed FL models with Swingarm frames from 1958 to early 1979 (OEM 49038-58)
- 233555** Fits 4 Speed FX models from 1972 thru 1986 and all Softail models (except Heritage and Fat Boy) from 1984 thru 1999 (OEM 49016-72D)
- 241245** Fits Heritage Softail and FatBoy models from 1986 thru 1999 (OEM 49004-90)
- 233549** Fits 1988 to present FLH and FLT models (OEM 49184-88)
- 233510** Late 1978 thru 1984 FL models and late 1979 thru 1984 FLH models (OEM 49040-79)

- 722025** Fits all Softail models 2000 to present, except Heritage and FatBoy models
- 722024** Fits Heritage Softail, Heritage Springer and Fat Boy models from 2000 to present
- 722026** Fits FXDS AND FXWG models 1993 to present and FXDX models 1999 to present
- 722027** Fits Dyna Glide models 1991 to present

REAR HIGHWAY BARS

- 233554** Fits 4 Speed FL models from late 1967 thru 1984 (OEM 49137-67B).
- 233557** Fits all Softail models (except FatBoy and 1990 up FLSTC, see note) 1986 to '99 (OEM 49158-89B)
- 722029** Fits FLSTS Heritage Springer models 2000 to present

Note: 1990 Thru 1992 Heritage Softail Classics (FLSTC) require the installation of Zodiac part number 233558 bracket kit to replace the original Equipment brackets which attach the saddlebag support frame to the foot peg bolt. Additionally neither of the chrome toolbox kits may be installed because of contact with the saddlebag support frame.

- 233558** Bracket relocation kit for 1990 thru 1992 FLSTC's
- 722030** Rear bar relocation kit 2000 to present FLSTS Heritage Springer models

FOOT-REST RUBBER FOR FXR MODELS

355017 Drivers peg replacement rubber, fits all FXR models 1982 thru 1994 (OEM 50646-82).

CLUTCH AND BRAKE PEDAL RUBBER FOR FL AND FLH MODELS

358011 Heavy-Duty pedal rubber, fits all FL and FLH brake and clutch pedals (OEM 36954-62T).

Replacement

front motor mount for all rubber mounted 5 Speed Harley models 1980 to present (except Dyna Glide) (OEM 16207-79B).

HEAVY-DUTY RUBBER MOUNTS WITH STUDS

358080 These "stronger than stock" rubber battery tray and oil tank mounts have an internal wound spring that is welded to each stud plate and then heat-sealed inside of the bonded rubber housing. The studs are 1/4"-20 x 1/2" long on each side. These Heavy-Duty rubber mounts will outlast anyother mount available today (OEM 62563-65). Sold in 10 packs.

ANTI-VIBRATION MOUNTS

Anti-vibration mounts (or silent-blocks) are perfect for mounting gas tanks, oil tanks, battery boxes, all kinds of electronics and many other custom applications to insulate them from vehicle vibrations. Available in the sizes 1/4" UNC, 5/16" UNC, and 5/16" UNF. The anti-vibration mounts with two 1/4" -20 x 1/2" studs replaces the OEM 62563-65T rubber/stud mount as used for mounting the Harley oil tanks and battery boxes and is sold in 10 packs. For custom purposes we also have anti-vibration mounts with two 5/16" UNF x 3/4" studs or two 5/16" UNC x 3/4" studs which are sold in 3 packs.

358019 With 1/4" UNC studs, 10 pack (OEM 62563-65T)

358210 With 5/16" UNF studs, 3 pack

358211 With 5/16" UNC studs, 3 pack
